

Agreement Concerning a Semester Calendar  
July 7, 2009

The University and the AAUP-WSU agree that the semester academic calendar will consist of two semesters of fifteen weeks, each with fourteen weeks of instruction and one week of final examinations. When developing the calendar for a specific academic year the parties will make a good faith effort to include 70 instructional days in each semester. Standard course scheduling during these semesters will provide for 55 minute Monday-Wednesday-Friday classes and 80 minute Tuesday-Thursday classes.

The parties will work cooperatively to develop the parameters for a Summer Semester calendar.

Should either party allege that any portion of this Agreement conflicts with Ohio Board of Regents guidelines or definitions of terms, then the AAUP-WSU and the University will meet to discuss the matter and to negotiate, as necessary, changes to this Agreement.
