

Memorandum of Understanding Concerning Staffing of the University Promotion and Tenure Committee

February 21, 2011

The University and the AAUP-WSU agree that in 2011 the University Promotion and Tenure Committee will be staffed as follows:

The University Promotion and Tenure Committee will be staffed by two tenured faculty members: one selected by the Provost and one selected by AAUP-WSU. These tenured faculty chosen to staff the Committee will attend the Committee meetings and both will share the clerical duties of counting votes and both will be available, as needed, to interpret this Agreement and respond to questions concerning this Agreement.

Both parties agree further to make this change in the next CBA.
